Dear

This letter is being sent to all The Eagles who have been in the service, and who are now discharged. Some of you have written me, and others the war department notified me of your release.

I am writing to find out whether to include you in The Eagles roster for the comming season. The war may have caused some of you to plan some other work beside baseball.

Please let me know whether or not you plan to play baseball this year.

The Eagles are going to train in Jacksonville Fla. and will open camp April 1st.

I will appreciate hearing from you right away, as I must get the rosters arranged.

It might interest you to know, all The Eagles who were in the service are now out except Leon Day. He is still in Europe.

I hope you are well, and will be looking to hear from you.

Very Truly Yours
